Draft Charging Schedule Consultations

Copying Charges

It is the JPU's policy to only provide paper copies of documents on request and to make a charge for these copies based on the copying/ printing and postage costs. This reduces unnecessary printing and postage costs and minimises the impact on the environment. All documents are available on the JPU's website or can be viewed at the libraries and main Council offices in West Northamptonshire as well as at the JPU's offices.
